## Broken Heart

You looked  
like you  
had a ton  
of fun  
today!

Not  
fun?!

It's not  
fun being  
with you

This  
isn't  
quite  
what  
I was  
looking  
for...

Trying to  
act nice  
even though  
we're dating?

I've never  
heard of  
that!

That's just,  
you know,  
trying to  
act nice.

Yeah...

Pretty

So let's  
forget that  
we were  
dating

See you

Waaah!! Wait! Hey-

That means  
you don't have  
anything else  
nice to say, huh,  
Moe-san.

Take-kun,  
you've got  
really kind  
eyes.

I mean, I was  
often told  
that by the  
girlfriend that  
just dumped  
me...

I've heard it  
many times,  
so I know...

Crying in sunglasses  
at a sports festival  
would be totally  
strange and attract  
attention!

Ahh...!  
Don't remember it!

Hm?

Take-san

Oh, no.  
I've got to  
rehabilitate  
myself with  
this game.

I can't trust  
anyone  
anymore...  
  
Girls are  
scary, sniff...

Have you  
seen Sui-san?

Satsuki-chan

Tada-san can't  
make it at  
the moment,  
so we've got  
to support  
Sui-chan

Where did  
she go...

Huh?  
She was  
lounging  
around  
here  
earlier...

Moe-chan  
therapy...

Take-kun,  
could I  
have a  
minute?

I can't just  
take it on  
the surface;  
I've got to  
understand  
her true  
meaning...

We... huh...

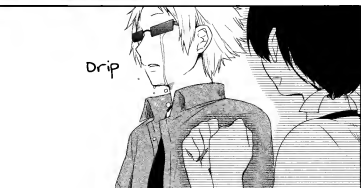

Whoa, wait!

I shouldn't start  
thinking like  
that so quick!

Hey, Take-san!

I feel like there was hope.

Thinking how she'd meet me even though she was so busy...

Ah, sorry for leaving you alone.

You've got something to do, too, Moe-chan?

Take-kun, sorry

I've got something to do

Hm?

Moe (It's a bit scary how nice Take-kun is...)

※ Take's imagination.

I'll walk her home.

I can't really go, so it's just in spirit.

Moe (I'll run home so he doesn't find out where I live!)

※ Take's imagination.

So that's what it was!

Thump

Take-san, saying you're still attached... do you mean... whoa, you're really in anguish!

Um, Take-san

What?

Image  
training.

I can't take  
their words  
at face value

I've got  
to see  
all the  
way  
through  
it.

A woman's  
heart is a  
maze!

Or I'll never  
find a true  
partner!

Are you

in love

Eh, what's  
this?

Could it  
be?

I'm just  
a bit  
curious.

?

What are  
you asking  
for.

Staaaaare

What is she thinking behind all that?

Are you filming?

Eh, hey...

Now, think, Take!

Gym outfit.

Bloomers.

Skin.

Muscles...

And...

Don't look too low.

It's how embarrassing

See through everything concealing it.

I'm not interested in that!

Heart!

Ehh?!

I see it!

Satsuki

(I'm not interested in Take-san, but  
I want to help him with his love...)

※ Take's imagination.

See what?  
My panties?

Panic

Panic

Phew

That was  
close.

It's probably  
something  
like this...

At the  
moment...?

Well...

I couldn't even  
stay in the ring

I'm not

Eh?

In love

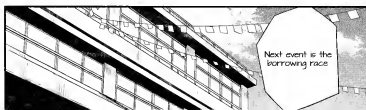

At  
least

Not at the  
moment

Huh?

Was I  
mistaken?

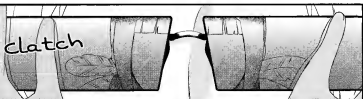

To be continued.

I get it.

Because I was  
like that, too.

If it's this tiring,  
I don't need a  
girlfriend, huh.

Sigh.

After using  
my head, I'm  
a bit worn out.

If you don't use  
words, I won't  
know.

Yeah, I've been told  
"why can't you  
figure it out?"

Man, after clearing  
my head, I've  
forgotten all about  
it.

Even everything  
at the firework show!

Honestly, I'm  
glad we broke  
up.
